## Independent Auditors' Report To the board members of Northern District Salmon Fishery Board

#### Report of the Auditors to the board members of Northern District Salmon Fishery Board

In accordance with the Salmon and Freshwater Fisheries (Consolidation) (Scotland) Act 2003, section 44, as amended by the Aquaculture and Fisheries (Scotland) Act 2013, we have audited the statement of accounts for the year ended 31 December 2014 set out on pages 4 to 6. These accounts have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), under the historical cost convention and the accounting policies set out on page 6.

This report is made solely to the board members of Northern District Salmon Fishery Board. Our audit work has been undertaken so that we might state to the board members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the board members for our audit work, for this report, or for the opinions we have formed.

## Respective responsibilities of duly elected and duly co-opted board members and auditors

Section 44 of the Salmon and Freshwater Fisheries (Consolidation) (Scotland) Act 2003, as amended by the Aquaculture and Fisheries (Scotland) Act 2013, requires the board to prepare a statement of accounts for each financial year which give a true and fair view of the state of affairs of the board and of the surplus or deficit for that period. In preparing those accounts, the board members are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the board will continue in operation.

The board members are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the board. They are also responsible for safeguarding the assets of the Board and hence for taking reasonable steps in the prevention and detection of fraud and other irregularities.

Our responsibility is to audit the statement of accounts in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). We report to you our opinion as to whether the statement of accounts give a true and fair view and are properly prepared in accordance with the Salmon and Freshwater Fisheries (Consolidation) (Scotland) Act 2003 and the Aquaculture and Fisheries (Scotland) Act 2013. We also report to you whether in our opinion the information in the Annual Report is consistent with the statement of accounts.

We read the Annual Report and consider the implications for our report if we become aware of any apparent misstatements within it.

## Independent Auditors' Report To the board members of Northern District Salmon Fishery Board

..... continued

### Scope of the audit of the financial statements

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the statement of accounts. It also includes an assessment of the significant estimates and judgements made by the board members in preparation of statement of accounts, and of whether the accounting policies are appropriate to the Board's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the statement of accounts.

## Opinion on financial statements

In our opinion:

- The statement of accounts give a true and fair view, in accordance with the United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities of the state of the Board's affairs as at 31 December 2014, and of its deficit for the year then ended;
- The statement of accounts have been prepared in accordance with Salmon and Freshwater Fisheries (Consolidation) (Scotland) Act 2003 and the Aquaculture and Fisheries (Scotland) Act 2013; and

• The information given in the Annual Report is consistent with the statement of accounts.
